

On Monday, May 11th, at 7pm we will have a zoom meeting for all 4th graders interested in joining the band in 5th grade. Even if you are not sure about band you are welcome to check out the meeting.

In this meeting we will discuss:

1.) Choosing an instrument that works for you. It looks like Mrs. Minh has already helped with this but this meeting will be a chance to ask more questions, choosing an instrument is a big deal so you want to make sure you pick the right one for you.

2.) Rentals through Eckroth music. Jeanne from Eckroth will be on to help answer questions about instrument rentals and purchases. If you have an instrument at home be sure to have it taken into Eckroth to make sure it is in working condition. If you plan on buying an instrument online please talk to Mr. Moe first, he can lead you to some reputable dealers and instrument brands. Remember, when buying an instrument the deal you get is not as important as picking an instrument that can be repaired when it breaks, and it will break.

3.) Summer band camp (August 12-14) If you are planning to be in band you need to plan on attending camp or taking lessons with Mr. Moe to get caught up. Band camp registration and fee is due June 1st.

4.) Answer any questions you may have about band. As the meeting approaches please write down any questions that come up and Mrs. Minh, Jeanne, or myself will try our best to answer.

You can visit my website **wpsmusic.com** for more details about the meeting as well as some information on finding an instrument that will fit the physical characteristics of your child, the cost of instrument rentals, and the band camp brochure. Feel free to contact me if you have any questions or concerns before our meeting or if you are interested in band but unable to make the meeting.
